**TISSUE ENGINEERING  
SOCIETY OF MALAYSIA  
(TESMA)**

The objectives of TESMA are:

- ✚ The purpose of the Society shall be the worldwide advancement of both the science and technology of tissue engineering.
- ✚ To bring together an international community of persons engaged or interested in the field of tissue engineering and promote education and research within the field of tissue engineering through regular meetings and other forms of communication.
- ✚ To promote the informed discussion of the scientific challenges and the therapeutic benefits of the development and application of tissue engineering technologies.
- ✚ To foster a stronger and more active fellowship and comradeship among its members, upholding the dignity and ethics in the practice of the discipline.

**Can I Be A Member Of TESMA?**

We welcome anybody who has interest in the field of Tissue Engineering to become a part of our team.

The society shall consist of:

**Ordinary Membership:** Open to all Malaysian citizens affiliated in the field of Tissue Engineering.

**Associate Membership:** Open to all interested or associated in the field of Tissue Engineering

**Corporate Membership:** Open to such companies registered under Companies Act, University Departments, Research Institutions and other organizations, which being with the study of Tissue Engineering. A corporate member in good standing shall be entitled to name 3 representatives.

**Student Membership:** Open to all students who are pursuing a degree in Science, Medicine and Engineering as well as related subjects and such membership ceases on termination or completion of their studies.

**Honorary Membership:** May be conferred on persons who have rendered meritorious service in the field of Tissue Engineering in Malaysia.

**MEMBERSHIP & SUBSCRIPTION FEE**

i. Membership Fees

- a. Ordinary & Associate members – RM 50.00
- b. Corporate Members – RM400.00
- c. Student Members – RM20.00

ii. Annual Subscription Fee

- a. Ordinary & Associate Members – RM30.00  
(Life membership – RM400.00)
- b. Corporate Members – RM200.00
- c. Student Members – RM20.00
